Abafi Miklós Jósika
Witness the story of a Hungarian Knight, Abafi, as he transforms from an evil man, who does selfish acts of his every whim, to a kind and noble man, who does more for others than he does for himself. Watch him make hard life decisions and search for his one true love.

Experience the story that had a great effect on Nikola Tesla's life, so stated by him in his autobiography, My Inventions. In this translated text, he states, after reading this book, that: "This work somehow awakened my dormant powers of will and I began to practice self-control. At first my resolutions faded like snow in April, but in a little while I conquered my weakness and felt a pleasure I never knew before - that of doing as I willed."
