Butterfly Tattoo

Deidre Knight

Butterfly Tattoo Deidre Knight
Michael Warner has been drifting in a numb haze since the death of his lover, who was killed by a drunk driver. As the anniversary of the wreck approaches, Michael's grief grows more suffocating. Yet he must find a way through the maze of pain and secrets to live for their troubled young daughter. Out of the darkness comes a voice, a lifeline he never expected to find—Rebecca O'Neill, a development executive in the studio where he works as an electrician. Rebecca, a former celebrity left scarred from a crazed fan's attack, has retreated from the limelight, certain no man can ever get past her disfigurement. The instant sparks between her and Michael come as a complete surprise—and so does her almost mystical bond with his daughter. For the first time, all three feel compelled to examine their scars in the light of love. But trust is hard to come by, especially when you're not sure what to believe when you look in the mirror. The scars? Or the truth?
