Halfway Perfect Julie Cross, Mark Perini

Bestselling author Julie Cross teams up with Ford model Mark Perini to pen a poignant and gritty YA novel about love and the dark side of modeling and the fashion industry

Eve had it all-emphasis on had. She was a rising star with a modeling contract destined to catapult her to celebrity...until the devastating night when she walked away from everything, everyone in her life. Eve's worked hard to put her troubled past behind her, and photography's given her a fresh start. She just never thought her dream internship would force her back into the industry that broke her trust and her heart.

Alex is a regular, good guy from Nebraska, but as an up-and-coming model, he's learning that appearances are everything. The fake relationship Alex's agent concocted for Alex and his underage costar? That'll land them both the hot jobs. But Alex hadn't counted on falling for Eve, the girl behind the camera.

With careers and love on the line, Eve and Alex are about to prove you may want what you can't have-but sometimes it's worth the risk.
