Lauren Myracle

Luv Ya Bunches (A Flower Power Book Book 1) Lauren Myracle

What do Katie-Rose, Yasaman, Milla, and Violet have in common? Other than being named after flowers, practically nothing. Katie-Rose is a film director in training. Yasaman is a computer whiz. Milla is third in command of the A list. And Violet is the new girl in school. They're fab girls, all of them, but they sure aren't friends. And if evil queen bee Medusa -- 'scuse me, Modessa -- has her way, they never will be. But this is the beginning of a new school year, when anything can happen and social worlds can collide . . .

Told in Lauren Myracle's inventive narrative style--here a fresh mix of instant messages, blog posts, screenplay, and straight narrative--*Luv Ya Bunches* has been called "enticing" by *Publishers Weekly* and received a starred review from *Booklist*, which called it "a fun, challenging, and gently edifying story."
