Max Weber and German Politics, 1890-1920

Wolfgang J. Mommsen

Max Weber and German Politics, 1890-1920 Wolfgang J. Mommsen
A major work of German historiography, this comprehensive account of Weber's political views and activities reveals that, paradoxically, Weber was at once an ardent liberal and a determined German nationalist and imperialist. Wolfgang J. Mommsen shows the important links between these seemingly conflicting positions and provides a critique of Weber's sociology of power and his concept of democratic rule.

First published in German in 1959, *Max Weber and German Politics* appeared in a revised edition in 1974 and became available in an English translation only in 1984. In writing this work, Mommsen drew extensively on Weber's published and unpublished essays, newspaper articles, memoranda, and correspondence.
