Learn from the concepts, capabilities, processes, and behaviors that aligned around one strategy with the hard-won, first-person wisdom found in *One Strategy*.

Challenging traditional views of strategy and operational execution, this book-written by Microsoft executive Steven Sinofsky with Harvard Business School professor Marco Iansiti-describes how you can drive innovation by connecting the potential of strategic opportunities to the impact of operational execution.

- Lessons from the unique combination of real-world experience managing a large scale organization with academic research in strategy and innovation
- Reveals what it takes to align a complex organization around one strategy, manage its execution, and reach for "strategic integrity"
- Written by Microsoft executive Steven Sinofsky with Harvard Business School professor Marco Iansiti-a combined forty years of management and research experience
- A unique perspective on strategy development, alignment, and execution

Drawn from Sinofsky's internal Microsoft blog where he communicated some of the management processes the team put to work while developing a 4,000 person, multi-year project-Microsoft Windows 7-*One Strategy* shares the hard-won insights you can use to successfully make the leap from strategy to execution.
