Thomas Fink

The Man's Book: The Essential Guide for the Modern Man Thomas Fink
Being modern and manly in today's world isn't always easy.

Do you know how to tie a bow-tie, mix a martini, or make a potato gun?

Do you know when to get married and how to break up, or the difference between a bock beer and a bitter?

Do you know which urinal to choose or how to start a fire with a Coke can?

The answers to every man's burning questions are within these pages, from the morning wet shave to the whiskey night-cap, from hunting deer with a .30-06 to wooing women like 007. At a time when the sexes are muddled and masculinity is marginalized, THE MAN'S BOOK unabashedly celebrates maleness. Organized by subject in a man-logical way, it's the go-to guide for anyone with a Y chromosome.
