The People of the River (The Commissioner Sanders Stories Book 2) Edgar Wallace
The second installment in the enthralling exploits of Commissioner Sanders, Great Britain's man in colonial Africa

Commissioner Sanders should have known better than to go on vacation. He is just a few days from his offices in British West Africa when he receives word from his second in command that trouble, always at a simmer in this jungle outpost, is about to come to a boil. He rushes home, arriving just in time for a meeting of the chiefs of his territory, who have been misled by an ambitious agitator named Bosambo into thinking that Sanders is dead. Sanders's return staves off rebellion, but Bosambo's power grab is not over yet. To keep the province from erupting into all-out tribal warfare, Sanders must outsmart the most brilliant chieftain in Africa.

In these rip-roaring adventures, the heroic commissioner contends with malaria, ju-ju, and the whims of government officials safely ensconced in their London offices. *The People of the River* is both a good-natured thrill ride and a fascinating historical document.

This ebook features a new introduction by Otto Penzler and has been professionally proofread to ensure accuracy and readability on all devices.
