Kern Alexander, Rahul Dhumale, John Eatwell

Global Governance of Financial Systems: The International Regulation of Systemic Risk (CERF Monographs on Finance and the Economy) Kern Alexander, Rahul Dhumale, John Eatwell
The book sets forth the economic rationale for international financial regulation and what role, if any, international regulation can play in effectively managing systemic risk while providing accountability to all affected nations. The book suggests that a particular type of global governance structure is necessary to have more efficient regulation of the international financial system.
