Healing Their Hearts

Nicki Latimer never expected to be back in her tiny Mississippi hometown—much less running a store with a baby on her hip. But when her father falls ill, Nicki will do anything to save the family business…even putting her dreams on hold. And she's found just the person to help her. Ethan Stone is strong and reliable, but also haunted by his past as a war photographer. He's convinced he could never be the man Nicki thinks he is. But with Ethan by her side, Nicki's dreams of love and family are closer than she thinks.
