Memoirs of an Elf Devin Scillian
It's Christmas Eve and Spark Elf has the very important job of keeping Santa Claus on schedule as he travels the globe in 24 hours delivering presents. Small in stature with pointy ears and stopwatch in hand, Spark lets Santa know it's time to go. He programs the GPS while the other elves secure the toy bag and check the Nice list. Little known fact: We don't even bring the Naughty list with us. Six hours into the trip Santa, sleigh and crew begin to fall behind--so many cuddly doggies to pet and extra cookies to eat. The jolly group makes up time in Brazil and soon find themselves back at the North Pole. Their work is done. But wait, there's something left in the bag--but it isn't a present at all--it's a family dog! Well known fact: Santa gives things away. He does not take things! Momma Claus comes to the rescue with a plan to get the dog back to his family. Can Santa return the family's beloved pooch in time to keep their Christmas merry?
