The Handyman Can

Dan Sexton

The Handyman Can Dan Sexton
To handymen, Jake and Cory, building a relationship is a lot like designing a home or landscaping a yard. It’s hard work, and you have to use just the right tool.

When these straight-acting laborers first meet, they release their manly tension over a few beers and something much more sordid than sparks fly. Their strong libidos aren't used to experiencing feelings for another man, and it takes a few sticky situations before they understand the blossoming romance budding between them.

Cute and tatted twenty-something, Jake Honeywell, will do anything for his kid sister. He loves landscape design and longs to travel north one day to see the fall foliage. He’s recently come out—at least to himself and a select few. While this has him circle jerking with his buddies watching football, there’s something missing.

Cory Hamilton is tall, tough, and macho. He’s a successful real-estate flipper who prefers the modesty of a simple life instead of the lavishness his burgeoning career provides. When the Home Television network discovers him, things change and Cory struggles to manage a developing man-on-man love affair.

Step one of building a gay romance mm: lay a solid foundation. Step two: build the framework. Step three: raise the roof.

But, will Jake and Cory be able to fill the cracks in their unstable foundation?

Warning: Contains graphic sex and strong language. This book is intended for mature audiences—and those who can appreciate gay love stories.

The Handyman Can is a full-length, standalone novel. The first few chapters were released under the title *Handymen Do It Better* but have been revised here and include some deleted scenes.

From reader reviews:

Edna Spalding:

Precisely why? Because this The Handyman Can is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will surprise you with the secret the item inside. Reading this book alongside it was fantastic author who have write the book in such amazing way makes the content interior easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of rewards than the other book include such as help improving your skill and your critical thinking technique. So , still want to delay having that book? If I ended up you I will go to the e-book store hurriedly.

Clyde Traynor:

Playing with family within a park, coming to see the marine world or hanging out with good friends is thing that usually you have done when you have spare time, and then why you don't try matter that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Handyman Can, you may enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh occur its mind hangout men. What? Still don't obtain it, oh come on its called reading friends.

Maurice Conner:

In this time globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The health of the world makes the information much easier to share. You can find a lot of personal references to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher this print many kinds of book. The book that recommended for you is The Handyman Can this reserve consist a lot of the information from the condition of this world now. This particular book was represented just how can the world has grown up. The terminology styles that writer value to explain it is easy to understand. Often the writer made some exploration when he makes this book. That's why this book acceptable all of you.

David Gilbert:

That guide can make you to feel relax. That book The Handyman Can was colourful and of course has pictures on there. As we know that book The Handyman Can has many kinds or variety. Start from kids until teens. For example Naruto or Investigator Conan you can read and believe that you are the character on there. So , not at all of book are generally make you bored, any it can make you feel happy, fun and unwind. Try to choose the best book to suit your needs and try to like reading that will.
