The Sea Of Faces: How To Prepare For The Journey Al Miner, Lama Sing
"The Sea of Faces is primarily comprised of souls bound to the Earth by their desires, usually carnal ... often those involved in influencing other souls who have abandoned their free will, their hope, their ideal, their purpose, their goal, or who are in some way addicted. All must pass through this 'Sea' in one manner or another in the movement out of the finite dimension of Earth consciousness, the passage which you call Death." -Lama Sing "In meditation, when moving through other realms of consciousness, you may have noticed on occasion any number of faces observing you. Often in great number, they are outside the Tunnel of Light, in which a person often travels from one state of consciousness to another. Somewhere back in the eighties I coined the phrase 'the Sea of Faces' to describe the very impressive array of faces looking back at me as I was moving in consciousness." -Al Miner
