The Secret of Dreadwillow Carse: Special Preview - The First 5 Chapters plus Bonus Material Brian Farrey
A princess and a peasant girl must embark on a dangerous quest to outwit a centuries-old warning foretelling the fall of the Monarchy in this thrilling modern fairytale.

In the center of the verdant Monarchy lies Dreadwillow Carse, a black and desolate bog that the happy people of the land do their best to ignore. Little is known about it, except for one dire warning: *If any monarch enters Dreadwillow Carse, then the Monarchy will fall.* Twelve-year-old Princess Jeniah yearns to know what the marsh could possibly conceal that might topple her family's thousand-year reign of peace and prosperity.

Meanwhile, in the nearby town of Emberfell, where everyone lives with unending joy, a girl named Aon hides a sorrow she can never reveal. She knows that *something* in the carse--something that sings a haunting tune only Aon can hear--holds the cure for her sadness. Yet no matter how many times she tries to enter, the terror-inducing dreadwillow trees keep her away.

After a chance meeting, Princess Jeniah and Aon hatch a plan to send Aon into the heart of the carse to unlock its darkest secret. But when Aon doesn't return, a guilt-stricken Jeniah must enter the carse to try and rescue her friend--even if it means risking the entire Monarchy.

The Secret of Dreadwillow Carse weaves together classic fairy-tale elements--a princess, a forbidden land, and a dangerous quest--in a clever, fast-paced adventure that explores the importance of asking questions and the power of friendship.
