This Life Is in Your Hands: One Dream, Sixty Acres, and a Family's Heartbreak Melissa Coleman

“Lyrical and down-to-earth, wry and heartbreaking, *This Life Is in Your Hands* is a fascinating and powerful memoir. Melissa Coleman doesn’t just tell the story of her family’s brave experiment and private tragedy; she brings to life an important and underappreciated chapter of our recent history.” —Tom Perrotta

In a work of power and beauty reminiscent of Tobias Wolff, Jeannette Walls, and Dave Eggers, Melissa Coleman delivers a luminous, evocative childhood memoir exploring the hope and struggle behind her family's search for a sustainable lifestyle. With echoes of *The Liars’ Club* and *Don’t Let’s Go to the Dogs Tonight*, Coleman’s searing chronicle tells the true story of her upbringing on communes and sustainable farms along the rugged Maine coastline in the 1970’s, embedded within a moving, personal quest for truth that her experiences produced.
