Transmission

Hari Kunzru

Transmission Hari Kunzru
In **Transmission**, award-winning writer Hari Kunzru takes an ultra-contemporary turn with the story of an Indian computer programmer whose luxurious fantasies about life in America are shaken when he accepts a California job offer.

Lonely and naïve, Arjun spends his days as a lowly assistant virus- tester, pining away for his free-spirited colleague Christine. Arjun gets laid off like so many of his Silicon Valley peers, and in an act of desperation to keep his job, he releases a mischievous but destructive virus around the globe that has major unintended consequences. As world order unravels, so does Arjun’s sanity, in a rollicking cataclysm that reaches Bollywood and, not so coincidentally, the glamorous star of Arjun’s favorite Indian movie.
