Diamond Sky

Ken Douglas

Diamond Sky Ken Douglas
From the beginning homicide detective Billy Wolfe knew that Mark Skidmore, head of Sterling-Skidmore Oil, had been killed by professionals. He learns that Skidmore's business partner is California Senator Paul Sterling and, that on the same day of the murder, their foreman Frank Shannon had died of a heart attack in Trinidad. Convinced Shannon's heart attack and the Skidmore homicide are related, Wolfe sets out to prove it. He meets Beth, Shannon's wife, at the Airport when she brings her husband's body home for burial and finds out she is being followed. Some very bad men think she has their diamonds. The diamonds were mined by children in West Africa for would-be dictators, who need guns for their child armies and drugs to give their kid soldiers courage. Sterling-Skidmore, run by the Russian Mafia, has been supplying the weapons, trading them for the diamonds. The Russian Mafia thinks Beth knows where the diamonds are and she does, only she doesn't know it. But she better find out before she is next on their hit list.

The book makes you much more confidence because you can know everything by the book. So , we need to make new experience and also knowledge with this book.

Madge Stamps:

What do you think about book? It is just for students as they are still students or the idea for all people in the world, what best subject for that? Just simply you can be answered for that query above. Every person has diverse personality and hobby for every other. Don't to be compelled someone or something that they don't need do that. You must know how great in addition to important the book Diamond Sky. All type of book can you see on many solutions. You can look for the internet methods or other social media.

Gina Keller:

As people who live in often the modest era should be up-date about what going on or details even knowledge to make all of them keep up with the era that is certainly always change and move forward. Some of you maybe will certainly update themselves by looking at books. It is a good choice in your case but the problems coming to a person is you don't know which you should start with. This Diamond Sky is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and wish in this era.

Shawn Hernandez:

Reading a e-book tends to be new life style with this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Together with book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their particular reader with their story or even their experience. Not only the storyplot that share in the books. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors nowadays always try to improve their ability in writing, they also doing some study before they write to the book. One of them is this Diamond Sky.
