Lewis & Clark

Probably no one knows more about Meriwether Lewis and William Clark than bestselling author and historian Stephen Ambrose, and *Lewis & Clark: Voyage of Discovery* reflects his superb command of -- and deep affection for -- this epic American journey.

Highlighted by Sam Abell's stunning photographs, this engrossing historical narrative interweaves choice entries from the explorers' journals with the author's own latter-day chronicle of how he and his family continue to discover the Trail today.

Here is the whole extraordinary saga, from its visionary spark in Thomas Jefferson's mind to the expedition itself, with its hardships and adventures. Ambrose's own observations offer a modern look at the land and those who live in it, including the Native American descendants of the tribes who stood between Lewis and Clark and the Pacific Ocean.

Superlative history, breathtaking photography, and an epic tale of exploration, endurance, and enterprise -- the classic ingredients that readers everywhere have come to expect from National Geographic.

From reader reviews:

Janie Ross:

Have you spare time for the day? What do you do when you have far more or little spare time? Yep, you can choose the suitable activity to get spend your time. Any person spent their own spare time to take a stroll, shopping, or went to the Mall. How about open as well as read a book eligible Lewis & Clark? Maybe it is to be best activity for you. You already know beside you can spend your time with the favorite's book, you can more intelligent than before. Do you agree with it has the opinion or you have various other opinion?

Juan Carrillo:

This book untitled Lewis & Clark to be one of several books that best seller in this year, honestly, that is because when you read this book you can get a lot of benefit into it. You will easily to buy this particular book in the book retailer or you can order it through online. The publisher with this book sells the e-book too. It makes you quicker to read this book, because you can read this book in your Cell phone. So there is no reason to you personally to past this publication from your list.

Rene King:

Your reading 6th sense will not betray a person, why because this Lewis & Clark reserve written by well-known writer who really knows well how to make book that can be understand by anyone who all read the book. Written with good manner for you, dripping every ideas and publishing skill only for eliminate your current hunger then you still uncertainty Lewis & Clark as good book not merely by the cover but also by the content. This is one reserve that can break don't assess book by its protect, so do you still needing another sixth sense to pick this particular!? Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.

Justin Tran:

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's heart or real their interest. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Lewis & Clark can make you experience more interested to read.
