Men Are from Dirt, Women Are from Men: Seven Proven Principles to Enjoy Our Differences Leo Godzich
Men and women are different. That probably doesn't come as a surprise to you, but most couples are eventually surprised by it. To improve your relationship, you not only have to learn how to understand the differences between men and women, but how to enjoy discovering those differences on a daily basis for the rest of your lives. This is not a one-sided look at men or at women; it is a call to restore dignity in marriage by inspiring increased cooperation, a renewal in humility and personal responsibility while increasing joy and intimacy. Learn how to develop a vision for your marriage together, a mutual understanding of how magnificent it can be-and follow the practical steps you can take to make your marriage magnificent. Loaded with deep and engaging insights, these exciting explanations will help you realize how to turn resentment to rejoicing, tension to togetherness, confusion to commitment, and loneliness to loveliness. This book is a sometimes stunning, always inspiring, and frequently funny examination of how men and women differ-and how to celebrate those differences to make a marriage that fulfills its purposes, and models a healthy marriage relationship to others.
