Pierce the veil between the living and the dead by awakening your 7 soul senses and improving your right-brain abilities. Sense the presence and messages of your dead loved ones using your chakras and intuition. Use afterlife-communication tools. Send messages to the dead and receive their replies on an ongoing basis. Understand the differences between being visited by spirits and being haunted. Encourage visitation from your passed loved ones and pets. Overcome the real barriers to afterlife communications. Monitor your night dreams for soul visitations and messages. Learn how and when to protect yourself from the spirits of the dead.** Filled with true accounts of visitations and communications with the dead, this one-of-a-kind book offers a compassionate alternative to the traditional *They're gone; just move* on grief counseling.
