Thinking Mathematically plus MyMathLab with Pearson eText -- Access Card Package (5th Edition)
Robert F. Blitzer
Blitzer continues to raise the bar with his engaging applications developed to motivate readers from diverse majors and backgrounds. **Thinking Mathematically, Fifth Edition**, draws from the author's unique background in art, psychology, and math to present math in the context of real-world applications. The author understands the needs of nervous readers and provides helpful tools in every chapter to help them master the material. Voice balloons are strategically placed throughout the book, showing what an instructor would say when leading a student through a problem. Study tips, chapter review grids, Chapter Tests, and abundant exercises provide ample review and practice.
