"Willy Loman, Nosferatu (or Biffo, the Vampyre Slayer)" is a parody of two of the most beloved American stage classics, Arthur Miller's "Death of a Salesman" and Tennessee Williams' "The Glass Menagerie." It turns out that the "Loman Line" is not Miller's lacerating examination of the selling of the American dream and his sympathy for the soul of the everyman, but a line of the Undead (Nosferatu) that have left a ruinous legacy of lunacy and calamity behind them. Willy Loman finds himself brought back to life and seeks revenge, while his two sons somehow become involved with the Wingfield family from "A Glass Menagerie," who have all found themselves reunited in Queens fifteen years after Willy's "first death." Wally of WPDP3 says, "Read the first two and cry; read the third and wonder why."
