Bagpipe Brothers: The FDNY Band's True Story of Tragedy, Mourning, and Recovery

Kerry Sheridan

Bagpipe Brothers: The FDNY Band's True Story of Tragedy, Mourning, and Recovery Kerry Sheridan After the 9/11 World Trade Center terrorist attacks, New York City's Emerald Society Bagpipe Band of firefighter-musicians took out their instruments and prepared to bury their dead--343 brothers in duty and in blood. Many firefighters alternated between playing their instruments at funerals and digging for the missing in the rubble of Ground Zero. The Irish American tradition of funeral bagpiping became the sound of mourning for an entire nation.

Bagpipe Brothers tells the unforgettable story of four firefighters in the band, who struggled to bring peace to their families and themselves while searching for the dead, coping with the endless round of funerals, and rethinking the meaning of faith. Their experiences illustrate the grief and recovery of the nation in the aftermath of the terrorist attacks.

Kerry Sheridan has written the first book to cover the ordeal of the massive number of funerals, the importance of recovering bodies in Irish American culture, and the bagpiping ritual, both traditional and modern.

From reader reviews:

Steven Cruce:

In this 21st centuries, people become competitive in each way. By being competitive currently, people have do something to make all of them survives, being in the middle of often the crowded place and notice by simply surrounding. One thing that sometimes many people have underestimated this for a while is reading. Yes, by reading a guide your ability to survive enhance then having chance to stand up than other is high. For you personally who want to start reading a new book, we give you this kind of Bagpipe Brothers: The FDNY Band's True Story of Tragedy, Mourning, and Recovery book as beginner and daily reading publication. Why, because this book is usually more than just a book.

Theodore Parish:

Information is provisions for people to get better life, information nowadays can get by anyone at everywhere. The information can be a information or any news even restricted. What people must be consider if those information which is in the former life are difficult to be find than now could be taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you find the unstable resource then you have it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Bagpipe Brothers: The FDNY Band's True Story of Tragedy, Mourning, and Recovery as the daily resource information.

James Rutledge:

The reason? Because this Bagpipe Brothers: The FDNY Band's True Story of Tragedy, Mourning, and Recovery is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will jolt you with the secret it inside. Reading this book alongside it was fantastic author who else write the book in such remarkable way makes the content on the inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of gains than the other book get such as help improving your ability and your critical thinking means. So , still want to hesitate having that book? If I have been you I will go to the e-book store hurriedly.

William Hill:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's internal or real their interest. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Bagpipe Brothers: The FDNY Band's True Story of Tragedy, Mourning, and

Recovery can make you truly feel more interested to read.
