Beautiful Stuff!: Learning with Found Materials Cathy Weisman Topal, Lella Gandini
Encourage your kids to express their creativity as they discover, collect, sort, arrange, experiment, and think with found and recyclable “stuff.” The real-life experiences of teachers and children will inspire ideas that you can try at home: choose objects and turn them into a display, transform materials into a face, build and glue wood scraps to make constructions. Appropriate for children four years of age and older.
