Carl Fischer Music presents this exciting series of performance pieces designed to help all levels of instrumentalists by making their practice time more productive. This innovative series offers the soloist stunningly clear engravings written for the particular instrument and piano. In addition, a musically accurate and expressive piano accompaniment CD, in a performance tempo (many early pieces also include a version in a slower practice tempo), is included for those times when an accompanist is not available. This is a must have product for the developing soloist.
