A Preview For You:
In fact, they were sleeping so deeply, so soundly, that they didn't notice the group of bandits who were advancing towards them through the dark forest. They didn't notice as they formed a circle around their sleeping bodies. They didn't even stir as two of the bandits, a man and the only woman, removed ropes from their backpacks, and held them tight in their calloused hands as they stood over the two sleeping bodies.
"You boy's take her" a female voice said softly, so as not to wake them "leave this one to me". She nodded down at where Hansel slept, and the rest of the bandits nodded back. It was clear that she was their leader. She had an air of authority to her voice, and her tone was serious. Sinister even.
The four male bandits closed around the sleeping Gretel slowly. The bandit holding the rope let out a soft moan of anticipation. The rest of them licked their lips, and massaged their huge cocks through their trousers. They were waiting for their leader's signal.
The female bandit stood over Hansel, looking down at him with a glint of passion in her eyes. She held the rope out, taught between her hands, and breathed heavily. She could have stood and watched him sleeping all night long…
"Boss!" a harsh whisper came from one of the bandits surrounding Gretel. The female bandit tore her gaze away from Hansel and looked over at the men. They were wall staring at her with impatient looks on their faces. She chuckled to herself. They were just as eager to get the operation underway as she was. It was time.
"Now!" she cried, and the bandits sprang into action. The four men hoisted Gretel up by her arms, and before she had time to let out her first scream of fear they had already bound her wrists behind her back.
