**Reap (The Harvest Saga Book 1)** Casey L. Bond
The remnants of the United States of America have been divided. From five enormous, technologically-advanced cities, the Greaters rule over the Lessers.

In the Lesser village of Orchard, things are not as perfect as Abby Kelley thinks they are. When the apple harvest draws near and the Greater's engineered fruits become too much for one village to handle alone, reinforcements from neighboring villages are called upon.
Having to choose between her best friend, whom she has no romantic feelings for, and mysterious newcomer Crew, Abby finds herself in the middle of a harvest that she had no intention of becoming a part of. She becomes involved in a situation that threatens the strict rule of the Greaters, and just might give the Lessers hope for a better tomorrow. But, can she help the Lessers without losing Crew? And if she chooses Crew, will she lose her best friend?
