Shadow (Into the Dust Book 9)

Ren Cummins

Shadow (Into the Dust Book 9) Ren Cummins
Deeper and darker goes the rabbit hole, travelling from first light into final regrets. Journeying through the layers of Uphoria threaten the hopes and memories of all its citizenry, from the visiting dreamers to the abandoned Hollows, from the mermaids to the pirates and beyond. But past them all; beneath each one of them, lies the darkest and most primordial entity of them all: the Shadow.

In "Shadow", we travel to the darkness itself, pulling away the curtains to reveal some of the last secrets and mysteries of the world of Uphoria.

Sample:

A darkened hand of the Shadow lashed out, taking the boy by the cape as he was fastening it. He pulled the ends taut, feeling a cold pleasure at seeing the material dig into the tender skin of the boy’s neck.

“You think I cannot harm you?”

“I think you can’t scare me. That’s enough for me.”

“I can do more than frighten.”

“Not to me.”

The Shadow loomed closely enough that the boy could feel its cold breath upon his face. “Especially to you.”

"Shadow" is a 3000 story of dark fantasy; it is chapter 9 of the "Into the Dust" mini series by Ren Cummins and Kiri Callaghan
