Dealing with teenage drama?

Raising your children through the teen years is one of the most challenging responsibilities of being a parent. Skip the drama and learn how to help your child transition into a beautiful and well-adjusted adult. Empower yourself by learning the ins and outs of raising teenagers the easy way.

Are you wondering where your sweet little child went? Tired of the bad attitude and other stereotypical teen behavior?

Discover strategies that will help you learn how to raise your teens to become the responsible and mature adults that they are meant to be. Learn how to effectively bridge the generation gap and communicate with your adolescent like you used to be able to.

Teenager - A Parent's Guide Through The Drama Years will help you **understand why teens act the way they do** and **the part you play in shaping their teenage experience**. You will also read about **how treating your child like an adult can save you headaches and aggravation**. You'll find this book to be an indispensable reference and trusted guide through your child's teen drama.
