Naval Institute

Bluejackets Manual 14TH Edition Naval Institute
In 1940 the United States Navy was an antiquated collection of well-built ships and slow but durable aircraft. These two features were to save countless lives in battle with an at-the-time superior foe ie; the Imperial Japanese Navy. Never short on guts, the average 1940 Sailor was not prepared for W.W.II but how quickly things change. Five short years later we were the most powerful fleet EVER. While the 1940 edition of the "BJM" differs greatly from the one I was issued in 1994, the core values of "Honor, Committment & Courage" have never changed. Pride isn't specifically listed but it's there nonetheless. The "BJM" is a fascinating book for all the practical sailing knowledge it carries. It should be on every yacht owner's bookshelf. Tying knots, heaving lines, rules of the road (sea), etc. Plus it's just plain interesting to read.
