Start Your Travel Photography Adenture Today - Learn how to be a 21st century photo vagabond!

Have camera, will travel…profitably.

So, you want to become a travel photographer? You need only to start here.
Have you ever wanted to grab your camera and take the path less traveled across the globe while capturing stunning images of exotic places like a National Geographic photographer? Have you been envious of those vagabonds who live by their wits while moving from continent to continent creating stunning world imagery for publication in magazines, art galleries, and stock photography libraries?

Do you crave travel and adventure and would you like to finance your journeys through photography?

If so, this book is for you

Budget Travel Photography: Photograph the World for $50 Per Day will give you the fundamental information and inspiration to quit your job and become a photographic global nomad. In it, you will learn how to navigate low budget accommodations, how to find suitable photogenic destinations, how to choose the right equipment, and how to make money with your photography to support your traveling endeavors. With the ever increasing availability of the Internet across the planet, it is becoming easier and easier to embrace adventure and become a travel photographer.

In Budget Travel Photography you will learn:

- How finance your travel photo adventures
- How to find cheap (and sometimes free) places to stay in your world travels
- What kind of equipment packs best when flying and traveling internationally
- How to earn money with travel photography
- Much, much more!

Are you ready to quit your job and head off on adventure?
Join thousands of others who have left the drudgery of a cubicle for a life of travel and photography.
