Curing Doctor Vincent: The Good Doctor Trilogy - Book #1 Renea Mason
Elaine Watkins, Public Relations Advisor, is surprised when she receives a summons from the very attractive and enigmatic Dr. Xavier Vincent. She worships the talented physician and company icon responsible for developing the cure that saved her sister's life and isn't immune to his charm. Even though puzzled by his request, she is excited and eager to get started on his latest project.

But Dr. Vincent has other ideas. Instead of discussing cures, drugs and marketing strategies, he asks Elaine to join him in Paris to indulge his unique sexual appetites.

Torn between gratitude for saving her sister, her attraction for the powerful man and compromising her pre-conceived notions of sexuality, she must decide if it's easier to feed his desires or walk away. Until she devises a plan of her own.

"Make no mistake, Elaine, I am a king. Kings command and conquer. They are brutal and uncompromising. You don't want a king. Face it, you came here expecting a saint." - Dr. Xavier Vincent
