Journey into Minecraft 2 - The Wrath of Apokalips Barry Block
Casey is starting to come to terms with the fact that he's been transported into the game of Minecraft, but is still shocked by Mia's explanation as to how it happened. He discovers some amazing things about himself, and soon comes to realize that he and Mia aren't the only two Shifters in the world.

Things seem to be going well for Casey, even if he has somehow found himself with a stripey pink and purple house. His new friends throw a party to welcome him, but little do they know that a sinister force is watching them, just waiting for the right time to strike.

Prepare yourself for the coming of Apokalips!
