Trinitarian Theology for the Church: Scripture, Community, Worship

Trinitarian Theology for the Church: Scripture, Community, Worship
The doctrine of the Trinity has gained considerable attention in recent years. These select essays, brought together from the 2008 Wheaton College Theology Conference by editors Daniel J. Treier and David Lauber, show both the substance and the importance of the doctrine for our worship, our reading of Scripture and the mission of the church. This collection provides a helpful orientation to the significance of the trinitarian nature of Christian faith for students and pastors.
