Divine Intervention P.L. Byers

Sabrina Wallace is a beautiful and independent architect with a bright future. The only problem? Her parent’s death and a history of bad relationships have made her fiercely determined to remain alone.

Alex Deluca is an intense business entrepreneur with a successful, thriving business. With a loving supportive family behind him, he confidently goes through life, sure of himself and his place in it.

Then on one fateful day both Alex and Sabrina are brought together by a horrific plane crash. As the only survivors, they stand side by side, giving each other the strength they need to heal from their injuries and to face the outside forces that threaten to overwhelm them.

As time goes by Sabrina realizes that Alex is everything she wants, but past experiences have taught her that being alone is safer. Can she let go of those fears and have the life she secretly dreams of? Could Alex truly love her or is it his misguided sense of male driven protectiveness what he’s truly feeling?

It all comes down to an evening of clashing wills and unparalleled passion that could change the course of their future forever.
