Hitched Kim Session
Ivy Weiss, a wedding minister from the Texas Hill Country, inexplicably finds herself face down in the snow with several gunshot wounds through the chest on Christmas morning in Slovakia. What is worse, is that her baby, Olive, has been kidnapped and help is nowhere to be found. Besides, even if it was, would they believe her? The sins of life are coming back to bite her in the ass. But what real sins did she ever really commit besides the groupie phase of bedding famous writers? She realizes that's all it takes. One bad choice in life can have everlasting effects. This is especially true if you get hooked up with a cocaine-loving, has-been crime writer named Jeff Hunter. Jeff impregnates Ivy and then leaves her for a mysterious Slovakian woman named Maruska Czoborova. Ivy has no choice but to take matters into her own hands when her baby winds up missing after visiting with Jeff and Maruska. Ivy hires a rugged detective named Karl Muehller once she finds out the Austin Police are not doing enough. It's not long before Karl and Ivy are butting heads. Ivy holds firm to her decision to accompany Karl to Slovakia to find her baby, calling it a Weiss decision to herself, but Karl can't help questioning why in the world he let her tag along as she is screwing up every move he makes. Hitched is an action adventure thriller with salty Texas characters and ruthless mobsters from the other side of the world being led into an international roller coaster ride by two very unlikely yet determined women.
