Authoritative and expertly informed, the fifth edition of Neurology in Clinical Practice continues to bring you the most current clinical neurology in a versatile, multimedia format. The result of years of experience, this outstanding resource leads you through the thought processes of seasoned clinicians. This versatile, new E-dition includes the 2-volume set and a dedicated website featuring the entire text, fully searchable, along with video clips and additional full-color illustrations, links to related websites, and regular updates.

- Includes a new chapter on Transcranial Magnetic Stimulation, reflecting latest in the clinical area of neurophysiology.
- Contains new contributions from some of the most respected names in the field.
- Utilizes a new, full-color design for a cleaner look that’s easier to consult.

- Covers all disorders and authoritative approaches to diagnosis and management.
- Keeps you up to date on the latest advances in the field.
- Logical formatting that mirrors the way you treat patients in practice.

Your purchase entitles you to access the web site until the next edition is published, or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. If the next edition is published less than one year after your purchase, you will be entitled to online access for one year from your date of purchase. Elsevier reserves the right to offer a suitable replacement product (such as a downloadable or CD-ROM-based electronic version) should access to the web site be discontinued.
