Our Demented Play Date

Kat Fletcher

Our Demented Play Date Kat Fletcher
Sarah’s been to Cape Cod before. The beach is ok, but the rest of it? Boring. And if spending half of August away from her friends wasn’t bad enough, her parents announce she’s expected to hang out with their friend’s daughter Rachel. Sarah’s seventeen years old; she’ll be a high school senior in only a month. Can’t she just stay at home by herself?

Whatever Sarah expected from this demented play date, Rach isn’t it. She’s beautiful, smart, stylish—totally on point. And she likes girls and is very out of the closet. Suddenly, two weeks on Cape looks a lot more interesting. If only Sarah can bring herself to come out and tell her how she feels.

Young adult/New Adult lesbian romance. 60,000 words.
