Paul FitzPatrick

Rage! (Through My Eyes Book 2) Paul FitzPatrick
Rage! Tales of Morality, Humanity and Integrity is the companion book to Passion! Tales of Love, Loss and Loneliness. While Passion! explores matters of the heart and body, Rage! explores matters of the mind and soul.

Rage! starts with a hard-hitting dark view of the world through the eyes of a teenager in 'Asylum of Life' and is followed by a strong dissatisfaction with self-serving politicians in 'Political Chess'. The political commentary on wayward members of parliament and their unethical behaviour is loud and clear.

Astute social observations of humanity and an awareness of global civics and citizenship are revealed in 'The Heat of the Moment', 'We've Got to Find', 'These Observations', 'Urban Pain' and 'Downtown City'.

'These Observations' is a poignant comparison between economically advanced and impoverished countries and serves as a none-too-subtle reminder as to, not only how blessed a small percentage of the world's population are but also to, our humanitarian responsibility to help others. "We fight for our wages / While they fight for their lives / We're watching our waistlines / While they watch children die". This vivid imagery from 'These Observations' is typical of the imagery present throughout the book.

Interest in Irish History and the plight of the Irish people is clear in 'Thirty Minute Warning' and 'There's an Ireland Calling' while 'Father Questioning' and 'Rise Up!' relate to matters of faith and spirituality.

'I'd Rather be a Shepherd', 'Dirty Town Blues' and 'One Man' reflect the importance of standing up for what you believe in or are passionate about. They acknowledge that, while it may be difficult to make a stand against a seemingly unbeatable opponent, popular sentiment or mass hysteria, the benefits of taking a stand are not only worth it but potentially far reaching.

In contrast to many of the deep and analytical lyrics in this book, 'Psychedelic Blues' is a light-hearted allusion to a more carefree era stimulated by casting off the constraints of conservatism - along with the stimulation of mind-altering substances and diminishing sexual inhibitions.

Rage! is a thought-provoking read in both its literary content and the author's insights.
