Me VS Zombies So This Is Christmas Sharon Lee Johnson
So This Is Christmas, Surviving Zombies during the Holidays.

Summer Morgan here. **Christmas** is my favorite time of the year. I don't see anything to celebrate this year. The man that I loved is dead. I killed him when he became infected. I had lost track of time and had no idea what day it is. My main concern is to keep my duffle bag with me. I know that I need my supplies and bone spears, made from **Zombie's** bones.

I should of kept going on my own, instead I looked back. I saw a young man wondering around, having no idea what was walking in his direction. I couldn't of just let the **Zombie** eat him, could I? So I went back to save the young man. In the process I burned the hotel down, where supplies and weapons were in the hotel. **Zombies** burned along with humans who were hiding from the new reality. I felt bad, but I had more worries on my hand. The man they call Ax Man melted my insides. The way he looked at me, melted my insides. Not to mention what happened to me, when he touched me. The naughty side of me emerged, that I didn't know was there.

The three us look for a new place to stay. We all tried to deal with **Christmas** in our own way. When **Zombies** are getting stronger in numbers, it is only my faith that I can cling to during this time of year. I tried not to forget the past. The meaning of **Christmas**, something that I would never forget. Something good had to happen this time of year.

I'm Summer Morgan. I kill **Zombies**. I am determined to survive in this new reality of mine. Benny told my about a bunker before I killed him. He told me I would be able to survive for a few years. I had to, somehow survive **Christmas** and figure out how to get to the bunker.. Follow me as I try to deal with my new life and the humans I encounter and the **Zombies** that I kill.

Click on the cover and take a sneak how I survive **Christmas** and **Zombies**
