We Live Forever: A Study of Life After Death Lehman Strauss
The chapters in this little book are not intended for scholars and exegetes. They were written to help the average Christian and to show the way of salvation to any unbelievers into whose hands they might come. All evangelicals will rejoice in the clear, positive, scriptural treatment on that part of eschatology which deals with death and resurrection, heaven and hell. This work is rigidly Biblical, lovingly evangelistic, and tenderly comforting.
