Beauty Tips from Moose Jaw: Travels in Search of Canada Will Ferguson
Canada's number one humorist, routinely compared to our own Bill Bryson, has written a funny, idiosyncratic, and warmly humane book full of sly observations and witty stories culled from his travels among the people and places of our neighbors up north.
Will Ferguson spent the past three years crisscrossing Canada. In a helicopter above the barren lands of the subarctic, in a canoe with his four-year-old son, aboard seaplanes, and along the Underground Railroad, Will's travels have taken him from Cape Spear on the coast of Newfoundland to the sun-dappled streets of old Victoria.
Funny, poignant, and insightful, Beauty Tips from Moose Jaw is a provocative tribute to a land that is akin to a series of loosely connected outposts peopled with some of the most interesting folks in the world.
