Earth 2: Society Vol. 1: Planetfall

Daniel H. Wilson

Earth 2: Society Vol. 1: Planetfall Daniel H. Wilson
Continuing the saga that began in EARTH 2, writer Daniel H. Wilson (EARTH 2: WORLD'S END) and artists Jorge Jimenez (SUPERBOY) and Alisson Borges (LOBO) start civilization from scratch in EARTH 2: SOCIETY VOL. 1: PLANETFALL!

A year has passed since Earth-2 was destroyed by the armies of Apokolips. The survivors of the catastrophic tragedy have now made planetfall on a new world, and, with the help of heroes old and new, built a home.

But some threats can survive even Apokolips. New super-villains have arisen to capitalize on the confusion, even as heroes like Batman, Power Girl, Superman, Green Lantern and The Flash struggle to find their place on an unfamiliar world.

And unknown to all, Terry Sloan has developed technology with the power to change everything. Some will want to use his Genesis Machine to re-make this planet into an exact copy of the Earth they left behind; others, to build a brand new society, free from the mistakes of the past. Who wins this debate will determine the course of a civilization, but one thing is certain: in the wrong hands, this device has the power to destroy the last hope of a people who thought they'd already lost everything.

Collects issues #1-7 and DC SNEAK PEEK: EARTH 2: SOCIETY #1.

From reader reviews:

Rebecca Burks:

What do you with regards to book? It is not important along? Or just adding material when you need something to explain what the one you have problem? How about your extra time? Or are you busy man? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every person has many questions above. The doctor has to answer that question because just their can do this. It said that about reserve. Book is familiar on every person. Yes, it is proper. Because start from on jardín de infancia until university need this kind of Earth 2: Society Vol. 1: Planetfall to read.

Teddy Hathorn:

This book untitled Earth 2: Society Vol. 1: Planetfall to be one of several books this best seller in this year, here is because when you read this guide you can get a lot of benefit into it. You will easily to buy this kind of book in the book retailer or you can order it by means of online. The publisher of the book sells the e-book too. It makes you quicker to read this book, since you can read this book in your Cell phone. So there is no reason to you personally to past this reserve from your list.

Antoine Dejean:

Exactly why? Because this Earth 2: Society Vol. 1: Planetfall is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will jolt you with the secret that inside. Reading this book alongside it was fantastic author who have write the book in such incredible way makes the content inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of positive aspects than the other book get such as help improving your skill and your critical thinking means. So , still want to hesitate having that book? If I had been you I will go to the guide store hurriedly.

Helen Hanson:

As a university student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Earth 2: Society Vol. 1: Planetfall can make you feel more interested to read.
