Greed. Dark magic. Murder. ... Cool.

Award-winning author David C. Cassidy dares you to light up a candle and curl up in your favorite reading chair on a cold, blustery night. Take in the sounds, the smells, the sensation of utter terror, as you weather a journey into the darkest side of the human psyche. In this chilling tale of supernatural horror where Stephen King meets *The Twilight Zone*, nothing is ever as it seems—and nothing can prepare you for the evil that lurks in the hearts of men. **Eerie and sinister, *Fosgate's Game* is a haunting tale of greed, dark magic, and murder.**

IT WAS A DARK AND STORMY KNIGHT.

For Chadwick Harlow, a peaceful, easy-going Englishman, after-dinner drinks with his business partner—a ruthless, hard-edged hunter—is a weekly affair. But when casual conversation takes a mysterious and menacing turn into the supernatural, his wits are put to the test in a deadly challenge. Clinging to life but praying for death, Chadwick must summon the will to survive, before all is lost in a terrifying descent into madness.
