Every neighborhood has its secrets, and you can never really be sure what's happening even right next door. *Unless you're asked to watch.*

With her strict parents away, college student Emily can't resist inviting her boyfriend over for a **quick skinny dip** in their pool. After all, how would they ever find out? Of course, she doesn't know that her **older, alpha neighbor** Mr. Lindon is keeping an eye on her. So as soon as the **innocent young couple** start to fool around, he appears to break them up.

But Emily has always been attracted to her neighbor, and now she wants to make sure he doesn't tell on her. The only way she can think to do that is if **she and Mr. Lindon make some secrets** of their own. **Very dirty little secrets…**
