The Diary of Samuel Pepys (Modern Library Classics)

Samuel Pepys

The Diary of Samuel Pepys (Modern Library Classics) Samuel Pepys
Richard Le Gallienne’s elegant abridgment of the *Diary* captures the essential writings of Samuel Pepys (1633–1703), a remarkable man who witnessed the coronation of Charles II, the Great Plague of 1665, and the Great Fire of 1666. Originally scribbled in a cryptic shorthand, Pepys’s quotidian journal of life in Restoration London provides an astonishingly frank and diverting account of political intrigues; naval, church, and cultural affairs; and the sexual escapades and domestic strife of a man with a voracious, childlike appetite for living. “As a human document the *Diary* is literally unique,” notes Le Gallienne. “It will have a still greater value for its historical importance.”
