**Complete Guide to Online High Schools: Distance learning options for teens & adults** Thomas Nixon

You no longer have to sit in a traditional and, perhaps, boring classroom in order to earn a high school diploma. You no longer have to sit with students who are half your age. You no longer have to be tied to one geographical location. Online high schools are now an option for students of all ages and you can work at home or you can work on the road. These schools work well both for traditionally-aged high school students and for those who have more life experience.

In this second edition of ***Complete Guide to Online High Schools: Distance learning options for teens and adults***, Thomas Nixon has expanded the offerings by showcasing almost triple the number of online high schools. Just as his BestOnlineHighSchools.com website has grown over the years, so, too, has the size of this book.

**Praise for the first edition of Complete Guide to Online High Schools**

"When it comes to high school diplomas, I always defer to Tom Nixon, a true expert in this field, who writes clearly, concisely, and oh-so helpfully. This book is like having a thorough consultation with the leading expert in the world of high school credentials. I recommend it highly." --Dr. John Bear, author, *Bears' Guide to Earning Degrees by Distance Learning*

"Tom Nixon's book will help you choose wisely. It is a "must-read" for all who are about to take the important step of becoming an online high school student." --Michael Lambert, Executive Director, Distance Education and Training Council
