By meditating and reciting these **I AM affirmations** you begin to tap into the unlimited power that lies within your Spirit person. The very life of God that animates us is in every single one of the trillions of cells within us. Every second of our lives this power is available to us. This power, our power, begins to surface and take charge leading us consciously and subconsciously into our 'created in the image of God identity'. Now you will begin to consciously and subconsciously work towards achieving your goals. You will feel the confidence that comes with the new unharnessed power that you are now aware of.

Use these affirmations by personalizing them for your heart, lungs, other internal organs and body parts. This releases and affirms the inner self healing that has been gifted to all human-kind and resides in our inner Spirit person. Go to the next level by keeping these affirmations on your mind. This will supercharge your voice and confidence level. Thinking of your **I AM affirmations** instead of worry, anxiety, being afraid or getting down over the past. As a person thinks in his heart so he becomes. Out of the abundance of the heart or spirit a person speaks. If a person is always talking about being afraid they are very unlikely to step up and take advantage of opportunities as the arise.

Write your goals down on paper and they will come to pass. You will begin again to affirm your unlimited power consciously and subconsciously working towards and making decisions to fulfill your hearts desires. Make short, mid and long term goals.
