A glimpse into the history of working Australian Shepherd dogs and their owners. In February of 2015 Dana Mackenzie accepted a challenge. The challenge was to post pictures for 5 days, so she thought she would head into the past! Five days of photos turned into a year of storytelling, recalling past and present Australian Shepherd stock dogs and their owners. Many treasured photos were also shared and people who love these dogs begged for more. The birth of this collection of timeless stories was born and the history of the working Australian Shepherd has been captured thanks to Dana Mackensie and her astounding love and dedication to the Aussies whom she has met over the years!
