The Mermaid Chair: A Novel

Sue Monk Kidd

The Mermaid Chair: A Novel Sue Monk Kidd
Inside the abbey of a Benedictine monastery on tiny Egret Island, just off the coast of South Carolina, resides a beautiful and mysterious chair ornately carved with mermaids and dedicated to a saint who, legend claims, was a mermaid before her conversion. Jessie Sullivan's conventional life has been "molded to the smallest space possible." So when she is called home to cope with her mother's startling and enigmatic act of violence, Jessie finds herself relieved to be apart from her husband, Hugh. Jessie loves Hugh, but on Egret Island—amid the gorgeous marshlands and tidal creeks—she becomes drawn to Brother Thomas, a monk who is mere months from taking his final vows. What transpires will unlock the roots of her mother's tormented past, but most of all, as Jessie grapples with the tension of desire and the struggle to deny it, she will find a freedom that feels overwhelmingly right.

What inspires the yearning for a soul mate? Few writers have explored, as Kidd does, the lush, unknown region of the feminine soul where the thin line between the spiritual and the erotic exists. **The Mermaid Chair** is a vividly imagined novel about the passions of the spirit and the ecstasies of the body; one that illuminates a woman's self-awakening with the brilliance and power that only a writer of Kidd's ability could conjure.

Thomas Evans:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just small students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Mermaid Chair: A Novel can make you really feel more interested to read.
